CUT ON LINE ✂✂

THE TUIITS ARE HERE!! — At long last and with a great deal of effort we have been able to secure one TUIT for each EPISTLE. These are very important items and much in demand. However, the officers of the church feel that the effort and expense to get them will be well worth it in the long run. Guard your TUIT!! Don't lose it!! Don't lend it!! We rejoice with you because the demand for TUIITS is great, but now each family of the church has one TUIT. Now we expect many changes around the church. Many problems will be solved. Sunday attendance should at least double. Offices once vacant should be filled. Enthusiasm which sometimes wanes will now be redoubled. We are expecting great things at First Presbyterian now that each family has a round TUIT available to them.

For you see, so many have said: "Pastor, I'll get started attending regularly just as soon as I get a round "TUIT". Or, "I know I should be more involved in the life of the congregation, but I never seem to get a round "TUIT". Or again, "I've been wanting to begin a program of tithing my income, or start singing in the choir, or teaching, or being a shepherd, but there's been so much to do and I've been so busy that I haven't got a round "TUIT". Now all that is past!! Everyone has his own round "TUIT". Surely great things are in store for First Presbyterian!

(borrowed from Eastminster Chimes, who probably borrowed it from someone else who likely borrowed it from someone else, but with grateful appreciation to the imaginative person who first had the idea.)

("Thank you, Mrs. Calabash, wherever you are.")
